***FENWICK FOOTBALL BEGINS THE 1980 SEASON
WITH 96 WINS***

THIS IS THE YEAR OF WIN NO. 100

We wish to thank, in particular, all our supporters, advertisers, and purchasers who have helped make this book a success. This is an important source of program support. It has contributed to renovation of stands, rebuilding the field, the sound system, transportation, concessions, and the many details of the Fenwick program.

This program book is a great way to get your message across. If you wish to be included in 1981, call 532-0472.

This support, added to that of the student body, the faculty, and the coaching staff, makes Fenwick football a pleasant learning and growth experience for all of its participants.

The Pigskin Club meets at 8 p.m. the second Tuesday of each month — year-round. Become a member — now.

Best wishes to the team, the cheerleaders, and the coaching staff. Let's get one hundred plus wins in 1980.

As we begin our nineteenth football season, we can all share in the pride and enjoyment the past seasons have brought us.

From the start, in 1962, under the tutelage of Al Kulevich the first head coach, the excitement was evident. No one really knew what traditions were forming, but with each game it was clear that Fenwick and football were here to stay.

In 1965 in only the fourth season, Bishop Fenwick was undefeated and was declared the Class C State champs.

Additional head coaches, LeDuc, Wescott and Willett, kept the traditions alive with many winning seasons, but it was becoming much more difficult to field good teams with small turnouts of players.

Then, on a quiet spring day in 1976, a meeting took place that proved to be the vitamin or ingredient needed at the time. That meeting resulted in the announcement that Mr. Stan Bondelevitch had been appointed Head Football Coach. During the past four years the old master has instilled enthusiasm and pure enjoyment into the program, and in just four years has developed a program we are proud to call the "Fenwick Tradition."

During these "Stan Years", besides the growing number of boys playing football, we have also seen a renewed interest by the parents, notably the formation of the Pigskin Club. These devoted individuals have given countless hours of dedication to make football at Fenwick a pleasure. In the grooming of the field to the selling of hot-dogs and coffee, their spirit is everywhere.

We look forward to this 19th year, the players, coaches, fans — the tradition is alive and well.

Best wishes to Stan, his coaches, the tri-Captains, Mike Radcliffe, Seamus Ryan, Jim Nally, all the players.

Sincerely,

Ralph W. LeDuc
